The standard one-year and three-year limited warranties for systems purchased in the U.S. are included in this section. The actual limited warranty statement is noted on your invoice and included in the documentation accompanying your system.

## Three-Year Limited Warranty (United States Only)

Dell Computer Corporation ("Dell") manufactures its hardware products from parts and components that are new or equivalent to new in accordance with industry-standard practices. Dell warrants that the hardware products it manufactures will be free from defects in materials and workmanship. The warranty term is three years beginning on the date of invoice, as further described below.

Damage due to shipping the products to you is covered under this warranty. Otherwise, this warranty does not cover damage due to external causes, including accident, abuse, misuse, problems with electrical power, servicing not authorized by Dell, usage not in accordance with product instructions, failure to perform required preventive maintenance, and problems caused by use of parts and components not supplied by Dell.

This warranty does not cover any items that are in one or more of the following categories: software; sound cards; speakers; external devices; accessories or parts added to a Dell system after the system is shipped from Dell; accessories or parts added to a Dell system through Dell's system integration department; accessories or parts that are not installed in the Dell factory; or DellWare products. Monitors, keyboards, and mice that are included on Dell's standard price list are covered under this warranty; all other monitors, keyboards, and mice (including those sold through the DellWare program) are not covered. Product batteries for portable computers are covered only during the initial one-year period of this warranty.

#### Limited Warranty Coverage During Year One (United States Only)

If warranty service is required, Dell will issue a Return Material Authorization Number. You must ship the products back to Dell in their original or equivalent packaging, prepay shipping charges, and insure the shipment or accept the risk of loss or damage during shipment. Dell will ship the repaired or replacement products to you freight prepaid if you use an address in the U.S. (excluding Puerto Rico and U.S. possessions). ## Limited Warranty Coverage During Years Two and Three (United States Only)

During the second and third years of this limited warranty, Dell will provide, on an exchange basis, replacement parts for the Dell hardware product(s) covered under this limited warranty when a part requires replacement. Dell will ship parts using next-business-day delivery, shipping prepaid if you use an address in the U.S. (excluding Puerto Rico and U.S. possessions). Shipments to other locations will be made freight collect. Dell will include a prepaid shipping container with each replacement part for your use in returning the replaced part to Dell. Replacement parts are new or reconditioned. Dell may provide replacement parts made by various manufacturers when supplying parts to you. The warranty term for a replacement part is the remainder of the limited warranty term.

You will pay Dell for replacement parts when the replaced part is not returned to Dell within 30 days after the date the replacement part was shipped by Dell and for parts used to repair systems not covered by this limited warranty. In these events, replacement parts will be priced at Dell's then-current standard prices. Payment for these parts is due within 30 days from the date of invoice. You accept full responsibility for your software and data. Dell is not required to advise or remind you of appropriate backup and other procedures.

The warranty term is one year beginning on the date of invoice, as further described below.

Damage due to shipping the products to you is covered under this warranty. Otherwise, this warranty does not cover damage due to external causes, including accident, abuse, misuse, problems with electrical power, servicing not authorized by Dell, usage not in accordance with

# Special Policies (DellWare, ReadyWare, DellPlus)

## **DellWare (Software and Add-Ons)**

DellWare includes all non-Dell branded third-party software and peripherals purchased -- but not installed -- through Dell. All DellWare products feature warranties from the original manufacturer or publisher, not Dell. Since third-party manufacturer warranties may vary from product to product, consult your product documentation for specific warranty information.

For assistance in locating the technical support telephone number for the manufacturer of your product purchase, call the toll-free service number, 800/753-7201, and follow the voice prompts.

No free support (including installation, configuration, and usage) is provided for DellWare items by Dell. However, hardware support may be available from the original manufacturer.

You can obtain software support for commonly asked questions from Dell's AutoTech system at 800 247-9362 or Dell's TechFax system at 800/950-1329. Software support may also be obtained by purchasing a software support contract or it may be available through the software manufacturer.

**NOTE:** Non-Dell branded third-party items are not covered under the Dell system service contract.

## DellWare Return Policy (U.S. and Canada Only)

If you are an end-user customer who bought non-Dell branded third-party software or peripheral products directly from a Dell company, you may return as-new products to Dell up to 30 days from the date of invoice for a refund of the product purchase price (if already paid). This refund will not include any shipping and handling charges shown on your invoice.

DellWare products found to be defective in materials or workmanship may be returned to Dell for replacement at any time within 90 days after the date of the invoice for the product(s). After this 90-day period, the product is covered by any original manufacturer's warranty. Any warranty and technical support provided on a non-Dell branded third-party software or peripheral product is provided by the original manufacturer, not by Dell. The warranties and technical support may vary from product to product.

To return products, you must call Dell Customer Service to receive a Credit Return Authorization Number. You must ship the non-Dell branded third-party products to Dell in their original manufacturer's packaging, prepay shipping charges, and insure the shipment or accept the risk of loss or damage during shipment.

To qualify for refund or replacement, returned DellWare products must be in as-new condition, and all of the manuals, diskette(s), CD(s), power cables, and other items included with a product must be returned with it.

#### ReadyWare Hardware

Dell provides support for the initial installation and configuration of hardware that is purchased and installed under the ReadyWare program. These items carry a one-year limited warranty from Dell in addition to any warranty provided by the original manufacturer. Unless excluded by limitations, these items are covered under the system's initial on-site or parts-delivery service contract coverage.

## ReadyWare Software

Installation and configuration support are provided for ReadyWare software for the first 30 days from the invoice date. Thereafter, installation and configuration support for ReadyWare software may be available from the software manufacturer or through the following Dell services:

- AutoTech system (800/247-9362)
- TechFax SM system (800/950-1329)
- Fee-Based Technical Support (available for a fee on an as-needed basis please have a credit card number ready)
- Software support contract

## ReadyWare Returns

Hardware items purchased through ReadyWare may be returned for credit under Dell's thencurrent "Total Satisfaction" Return Policy.

**NOTES:** To expedite the processing of your credit, Dell expects that you will return the complete package to Dell, in the proper packaging, within five days after Dell issues the Credit Return Authorization Number.

For customers who want to return either application software or operating system software that is Dell installed, the system itself must be returned, along with any media and documentation that may have been included in the original shipment.

Returns arriving outside of the five-day window are subject to depreciation of the final credit/refund. Incomplete returns may not be credited.

#### **DellPlus**

Through the DellPlus program, you can have a system specially manufactured or custom-configured for a fee. DellPlus items are often unique, custom-designed hardware and/or software with specific applications and functions, which you select from the open market or from special vendors and developers.

The warranty and return policies for DellPlus configurations differ from Dell's standard system warranty and return polices. Please contact your sales representative and ask about the DellPlus Parts Replacement Program.
